Re: 12 Day Pre-General Report (10/01/04 - 10/13/04); Doggett for Congress (C00286500).

Dear Ms. Liljeroot:

This letter is written in response to your letter of November 4, 2004 concerning the above referenced Pre-General Report originally filed by Doggett for Congress on October 21, 2004 and amended on October 31, 2004.

We are pleased that our disclosure record exceeds 90% as scored by the Center for Responsive Politics. Consistent with this record, we will continue to strive to file perfect reports.

In your letter, you indicate that there are math errors in the election cycle-to-date totals from 11/8/02 forward. In a recent phone conversation, you indicated that the differences to the election cycle-to-date totals amount to only \$2,529 for the entire 2004 cycle as indicated (among other places) in line 11(a)(iii) of the Summary and Detailed Summary Page (the "Summary Page") of the Pre-General Report. Likewise, you identified an apparent \$354 discrepancy that appears in line 17 of the Summary Page. We have reviewed our records, re-run our calculations and made adjustments as necessary to reflect the new totals.

Please note, however, that the new totals we calculate do not match the \$2,529 you referenced on the phone. It is important to take into account that the apparent differences are a tiny percentage of the amount of money raised and spent over the last two years by the campaign.

Continuing our practice of providing accurate information, Doggett for Congress is filing a second Amended Pre-General Report and an Amended Post-General Report to reflect our adjustments to the election cycle-to-date totals.

Please do not hesitate to contact the undersigned if you have any questions or if you wish to discuss this matter in greater detail.

Sincerely,

James E. Cousar

Treasurer

Doggett for Congress
